- Maintenance / Damage Control Operations Center
- Ship fitting Workshop
  - Ship fitting Engineer's Office

- Diagnostics Workshop / Internal Systems Control
  - Internal Systems Engineer's Office
- Environmental Engineering / Life Support Control
  - Environmental Engineer's Office
- 2 Main Transporter Complex
- Emergency Transporters
- Assault Transporters
- General Cargo Hold 3-6
- Labs:
  - General Chemistry Lab
  - Biochemistry Lab
  - Biophysics Lab
  - Geology Lab
  - Meteorology Lab
  - Planetology Lab
  - Oceanography Lab
  - Ecology Lab
  - Biology Lab
  - Pathology Lab
  - Genetics Lab
  - Paleontology Lab
  - Chaos Physics Lab
  - High Energy Physics Lab
  - General Physics Lab
  - Quantum Mechanics Lab
  - Inchtomics Lab (???)
  - Nano Technology Lab
- Chief Science Office
- Assistant Chief Science Lab
- Maneuvering Thruster Control Room
- Internal & External Tractor Beam Emitters
- Primary Navigational Deflector
- Workbee Maintenance Systems
- Deuterium & Tritium Storage
- Turbolift Support
- Security:
  - Staging Room
  - Weapon Lockers (24)
  - Security Chief Office
  - Waiting Lounge
  - Guard Stations
